

Fancy Becoming A Volunteer?

Volunteers needed!
Reach out and HELP!

When you put your name down to **volunteer**, you don't just help others but you **help yourself**. This benefits you as a person as it gives you more work experience AND it also looks good on your CV. It shows you're committed to

working and helping others. UMCC can offer you different positions where you could work as a volunteer.

Currently we're recruiting volunteers in Sports, Schools, Teaching, Childcare and IT.

So if you're interested please ring the centre on 01709 360036 or pop into the centre.

UMCC
